ONCE WAS BUT NOT NOW IT ONCE WAS that a man who bought a used automobil any kind was looked on as being not just right mentally.

BUT NOW IT IS DIFFERENT. It once was that automobiles that did not work satisfactorily or that were damaged by improper driving were all that were offered for sale second handed. BUT NOW perfectly good automobiles are offered for the second time, as people who bought them originally have bought either a larger car or a more expensive car or wanted a car of later vintage.
